

## Kroger Gift Card Program

The program is very simple. You simply load the enclosed card when you **FIRST** get to the cashier to pay for your items or gas. Ask them to load the card with whatever amount you would like up to \$250.00. **You may pay with cash, check or major credit card. Guardian Angels School will earn 4% on your total order!!** The money we receive from this fundraiser is going directly into the Guardian Angels School Technology Fund. We have just installed wireless access points throughout the school, we have wireless tablet pc for grades 6,7,8 and the computer lab. We have also purchased and are installing wireless projectors in several of the classrooms. The tablet pc and projectors will help the teachers calculate a math problem, diagram a sentence and help draw instructional data. This is just the first phase of our plan and we have other exciting additions in the future.

This Kroger fundraiser makes it very easy for you to help raise money for Guardian Angels School at **NO COST** to you.

We appreciate you support. Should you have any questions or need additional information, please feel free to contact Erin Fullerton(518-7787).

**New or replacement cards are available in the School office or Rectory.**
