

# GA's Magazine Drive will start on September 2!

In **2008** our Students brought in **\$60,516** for the Magazine Drive (\$40,329 Order Form Sales, \$9,427 Web Sales, \$10,617 Postcard Booklet Sales and \$143 donations). The **Net Profit** applied to GA's School Budget was **\$24,898**. Wednesday (9/2) we will kick off this year's Drive with an all school assembly at 2PM. The students will receive their Magazine Packets at this time and a card showing the names of last year's customers and their purchases. Be sure to look at the fliers with the packet. They explain the Sale, the Prize Program and the offerings in the Prize Store. Let's beat last year's Sales!

Your student's very first prizes can be won on Thursday (9/3):

- Return the Mail-In Postcard Booklet with 10 completed pages on Thursday (9/3) for a Hoodie Keychain and a "tops only" Out of Uniform day on Friday (9/4).
- Register online at [www.QSP.com](http://www.QSP.com), send out 12 emails by Saturday (9/12) and turn in a printed confirmation of this for a Mystery Prize (GA's online code is 710332968)

This is an important part of our magazine drive because it allows you to reach out-of-town friends and family.

Please Note:

- Since most Sales from the Postcard Booklet are not received during the Sale, students will receive no prizes for these sales but GA will receive 40% profit from them.
- All Online Orders will be counted for all points and prizes if they are placed by 7:30 AM the last day of the sale (9/15). If the student wants the orders counted for a specific day, he/she must send in an email confirmation of the orders or a note from the parent on that day. Web orders not counted prior to 9/15 will be counted on Tuesday, 9/15.
- All orders and confirmations must be in by 9 AM to count for that day. If a student forgets their orders on the last day or receives on line orders after 7:30 AM, they may bring the orders and/or the confirmation in the next day (9/16). These orders will not count towards Top Homeroom or Top Seller prizes but will count for all other prizes.
- To make the counters' job a little easier, we ask that you don't send in 1 check for multiple students. One check for multiple orders for 1 student is fine.
- Family Prize: For every 7 Family Orders, the Family Name will be entered in a drawing on Awards Day for 1 of 4 \$50 Restaurant Gift Certificates. (Pelican Reef, IHOP, Outback and Olive Garden)
