

Dear Ms. Stegman and Guardian Angels 7<sup>th</sup> Grade Class,

Thank you so much for all the food and paper items you donated to our Ronald McDonald House. It was so thoughtful of you. Our board, staff and especially our guest families are so grateful for your desire to help sick children. Please know that you are setting a great example for other young people to follow, and we thank you for being such kind and generous people.

As you know, Ronald McDonald House is a “home away from home” for families with sick or injured children who are being cared for at Cincinnati Children’s Hospital Medical Center. Sometimes families live in another city, state or even country and need to come to Cincinnati to see a special doctor. Parents and other family members can stay at Ronald McDonald House as long as they need to so they can be close to their children until they are better and ready to go home.

Thank you so much for thinking of the families and children who are staying at our House. Your gift will do so much to help them during a very hard time in their lives.

Sincerely,

*Shirley Wuske, Administrative Assistant*
